THZ47101EU | Targus Versavu™360 Degree Rotating iPad Cover for Apple iPad Air 2, Smart Case for iPad, Premium Protective Cover - Blue

For a slim iPad smart case, look no further than the Targus Versavu 360-degree iPad Air 2 case. The perfect fit cradle holds your iPad Air 2 securely, while the deep foam grooves provide angles for comfortable viewing and typing. Our 360-rotating technology allows you to seamlessly switch from landscape to portrait effortlessly. Made of a polyurethane material, the slim design keeps your device clean and protected while easily traveling with you. The discreet cord closure makes sure that your device stays in place when you're on the move. The Versavu 360° fits conveniently in your bag, so you'll never have to worry about your iPad weighing you down.

- Premium iPad Air 2 protection with maximum viewing versatility
- Optimal viewing from multiple angles—portrait and landscape
- Patent-pending 360° rotating case and perfect fit cradle for your iPad
- A padded front cover with secure elastic closure for extra security to your screen
- Deep foam grooves in the front cover for solid portrait and landscape viewing
- Enhanced design redirects sound to the front of your iPad for improved sound performance
